## DNA Submission Form for Parentage Verification Testing

Please provide as much information as possible about your horse's parentage. Follow the instructions below to pull a hair sample and tape it to the bottom of the form. Mail the completed form and hair sample to the University of Kentucky at the address below. Testing for PSSM1 is available at the time you request the DNA test for parentage. To request this test, check the box below. The fee for the PSSM1 test is \$50.00. DNA for parentage is included with your registration fee, or \$29.00 when done separately. You will be billed by GHA before you receive the results. DO NOT send fees to UKY with your DNA sample.
